## Books

### Profiting from the Path of Most Resistance

This book will help you:

#### Harvest the benefit of suffering.

God designed benefit into the suffering that afflicts His people. This harvest leads us into a life of unconditional victory.

#### Bring out the encouragement in Scripture.

Even though suffering benefits God's people, we often become discouraged and give up before harvesting the victory He intends. Scripture fortifies us with divine courage to keep going.

#### Illustrate the love of God.

God's love for us never wavers. He only intends the best for us, whether life treats us nicely or badly, pleasantly or unpleasantly.

#### Stimulate appreciation of perseverance.

Perseverance enables us to endure until we reap the benefit of suffering.
